

The ASPCA® Mobile Spay/Neuter Clinics have provided over 150,000 high-quality, low-cost spay/neuters for NYC pets.

To celebrate,

Mondays are 1/2 Price at any Mobile Clinic!

Why spay/neuter?

Prevents unwanted litters

May curb nuisance behaviors such as spraying or marking territory

Prevents some types of cancer in cats and dogs

For animals older than 4 months, NO FOOD AFTER MIDNIGHT on day of procedure. Animals younger than 4 months old should eat a small meal at about 6am on the morning of surgery

Clinics can accept 20-25 animals per day on a first-come, first-served basis. To be among the first 20-25 animals, please arrive by 7am. Be prepared to wait approximately two hours to check in your pet.
