Foster Agreement

1. I agree to provide the fostered cat with a temporary home in my apartment, with appropriate food (as instructed), and water available at all times.
2. I agree to keep the cat in my home at all times and not transfer her to any other party. In my apartment she will be held securely indoors, with screens in any windows that might be opened (whether from the bottom or the top) and without access to backyards, balconies, terraces, fire escapes, rooftops, and public hallways.
3. I understand that the cat may take time to adjust to her new surroundings. I will notify _____ (rescuer) of any adjustment difficulties and ask for assistance if there are problems.
4. If I am unable to continue fostering the cat for any reason, I will notify _____ (rescuer), making every effort to keep her until replacement foster care is found.
5. I will notify _____ (rescuer) immediately of any medical problems with the cat.
6. _____ (rescuer) agrees to cover all expenses related to the cat's upkeep, including food, litter, veterinary fees, and incidentals. Whenever possible, she will supply the necessary items, and any out-of-pocket expenses incurred by the foster home will be reimbursed (with receipts).
