Email: info@nittanybeaglerescue.org

Nittany Beagle Rescue is a nonprofit organization dedicated to saving the lives of beagles in central Pennsylvania. We accept beagles from shelters and from owners who can no longer keep them, and we work to find them loving, permanent homes.

How to help!

Sponsoring a beagle is a great way for you to help save the lives of beagles in central Pennsylvania. Your tax-deductible donation of \$15.00 will sponsor a dog for a month. Sponsorship donations help support food, shelter and medical costs for our beagles. If you wish to have your name displayed as a sponsor we will list you once we have received your donation. You can also be an anonymous sponsor. If you wish, your sponsorship can be in honor of someone or in memory of a loved one. Your \$15.00 donation can be made online by credit card using [PayPal](#), a global leader in online payment services. If you are already registered with PayPal, the process is very quick

Meet some of our current older beagles for adoption:

CIFFY, 8, is a playful 22 pound beagle boy. I am good with dogs and kids, and live with teenagers! Please consider adopting me!

KEMPER, 8 is a very loveable guy who is great with kids, cats, horses and dogs. He has some separation anxiety when people leave the house but is ok if there is another dog around. Kemper is ready to make you a loving companion.

SHERM, 8, is an out-going and very friendly beagle boy who is good with dogs and cats and horses too! Sherm has always lived outdoors so he needs a family who is patient and can spend time housetraining. Sherm will be neutered before adoption.

FEATURED DOG: JAKE, A PUREBRED PLOTTHOUND

Hi! My name is Jake and you can call me an honorary senior because at age 5+, I already have grey in my muzzle. I am a sweet dog who is good with dogs but really prefers to be with people. When the dogs are playing in the yard I just want to be with my foster person. I was brought to a high kill shelter by my owner, emaciated and defeated. My owner kicked me and said, get in the kennel. I never did anything wrong so I didn't know why he treated me like this. A great woman rescued me but I have been in rescue over 2 years and really would like a home now as I live outside most of the time. I am about 60 pounds. Let me tell you something about Plotthounds. Plotthounds make fine companions. Loyal and intelligent, the Plotthound is quick to learn and quick to love. Well that's me! If you want to adopt me and give me a loving home, please email joansdogs@aol.com for an adoption application. I am on my way to NY from Tennessee and into a great foster home under Senior Pets NYC.

Senior Dog Success Story—From “Stupid” to “Stewie” to ADOPTED!

Sweet Stewie, age 9 or 10 (they called him "stupid") was in a very neglectful situation where he was tied on a short chain in a kennel, not being cleaned or fed properly. He wagged his tail and was so happy when we arrived. We took him straight to the vet. He received proper medical care and love and needed a forever home so badly. He is a very good dog and does well with the other dogs @ the shelter. Loves and trusts everyone. Shortly after his arrival, he was adopted!

Boogie's Tales

Ode to A Senior Cat (Waiting for a Home)

There is nothing wrong with me
I used to have a family
But then things changed, so here I sit
Wondering what to make of it
Will there be a new warm lap?
Some kind person to give me a scratch?
My age it's just a number
How long will I wait, I wonder
Cats have nine lives
Or so they say
So here I sit, and purr away
Just waiting for someone new
I really hope it's you.

Poem written by Boogie

Sometimes you just get lucky and this is what happened for Duke. Surrendered by his owner who had two other labs that went to a rescue together, Duke went to Senior Pets NYC's foster home. Three applications came in in two days and two people went on a meet and greet, but passed on Duke for different reasons. The fosters fell in love. And they are adopting Duke. Thanks Joan and Keith!

Go Fetch! By Bodie

"There is no such Thing as a bad Treat!" - Bodie

Greetings! Here I am at the dog park in Florida!! Yep that's right. I flew with mom on a plane for the first time. I was a good boy and people were petting me. When we finally got to grandma's, I was SO hungry, I stole a bagel from the table.! Oh Well. Mom said, you never did that at home! We had a really fun time and the weather was good. But when we got home I was dog tired and fell asleep right away. **Big news**—I passed my pet therapy test and I am registered! So soon I can start making visits at the nursing home with mom. I can't wait! A new chapter in my life! Happy Spring!!!!!!
Hungrily yours, **BODIE!**
