

## Maddie's Spay/Neuter Project in NYC

### *Low-cost spays and neuters for cats and dogs for New York City residents on public assistance*

Having your cats and dogs spayed or neutered makes good sense — for you and the animals. If you reside within the five boroughs of New York City and are on public assistance, you can have up to a total of 6 cats or dogs (or a combination of cats/dogs totaling no more than 6) spayed or neutered each year for a special low price at participating clinics.

#### How Does It Work?

- 1) Locate a participating veterinary practice or non-profit organization from the list below.
- 2) Call the facility and make an appointment. Mention that you are using Maddie's Spay/Neuter Project in NYC.
- 3) Bring proof of public assistance and photo ID with you when you take your cat(s) or dog(s) in for the appointment. To qualify, pet owners/guardians can provide any of the following as proof of eligibility: Medicaid (or other subsidized medical plan) card; Medicare card; SSI; Disability/SSD; Reduced-Fare MetroCard (senior or disabled); Welfare; Food stamps; Public housing (NYCHA rent bill or Section 8 voucher/letter)
- 4) The veterinarian will perform the surgery.
- 5) Pay for the surgery: \$10 for each cat, \$20 for each dog; up to a total of 6 animals per household per year.  
Note: These fees apply to spay or neuter surgeries *only*. If your pet requires additional care, such as pre-surgery testing of an older pet or other procedures, those costs will be in addition to the spay or neuter fee. Please ask the veterinarian to inform you prior to the surgery (preferably when you make the appointment) of any additional costs.

#### Participating Veterinarians

##### All Boroughs

###### ASPCA Mobile Spay/Neuter Clinic

*For more information, mobile clinic dates and locations, and instructions for pet owners, please visit [www.asPCA.org/petowners](http://www.asPCA.org/petowners) or call 1-877-SPAY-NYC (1-877-772-9692).*

###### The Toby Project

*For more information, mobile clinic dates and locations, and instructions for pet owners, please visit [www.tobyproject.org/node/195](http://www.tobyproject.org/node/195) or call (212) 799-1120.*
